PREFACE

Free and fair elections are the foundation of a healthy democracy. Parts IX and IXA of the Constitution of India brought into force by the 73rd and the 74th Constitutional amendments, deal with matters relating to the constitution, composition and the functional ambit of the Panchayats and Municipalities respectively. By virtue of the **Articles 243K and 243ZA**, the responsibility for superintendence, direction and control of the preparation of electoral rolls for, and the conduct of elections to, the Panchayats and Municipalities have been vested in the State Election Commission. Subject to the provisions of the Constitution, the Legislature of a State may, by law, make provisions with respect to all matters relating to, or in connection with elections to such local bodies.

The State Election Commission is a constitutional body responsible for the conduct and supervision of elections to the Panchayati Raj Institutions in the State of Haryana. We are also required to bring about the work of Election Commission in a transparent manner for all, interested to see it including many progressive groups and individuals who have contributed their time, energy and ideas in order to make the 3rd General Elections of Panchayati Raj Institutions a great success, in all respects.

I am pleased to present this **Election Report** for the 3rd General Elections to Panchayati Raj Institutions and on some important achievements of the State Election Commission of Haryana. This narrative report by the State Election Commission, Haryana gives you a comprehensive account of election events in the relevant period. The present State Election Commission has made some major efforts in various directions for improving the system and has taken numerous initiatives to enhance the capability of this Commission to conduct

peaceful and fair elections in the State of Haryana. This time State Election Commission has completed this gigantic task and stupendous work within a lesser amount of budget by making a saving of about one crore rupees of public money/budget for the conduct of 3rd General Elections. This has been brought out in details in the different chapters of this report. The process of saving public money also continues even after the elections are over and also follow up action to continue for electoral reforms including improvements in the existing laws and rules related to the elections at grass root level by initiating dialogue with the State Government. It is also heartening to see the enthusiasm shown by number of officers and officials working round the clock to complete this process of all elections within a short period of 31 days, only.

I would like to put on record my appreciation for assistance rendered for successful organisation of the third General Elections by all the officers and staff of the State Election Commission as well as all the Deputy Commissioners, Sub-Divisional Magistrates, City Magistrates, District Development & Panchayat Officers and other supporting staff of field offices. I have issued appreciation letters to all the Deputy Commissioners with a copy to Chief Secretary's office with a request that appreciation letters be placed in their service record, also.

I hope that the present report will prove a valuable asset for this Commission and the field offices specially District Election Officers-cum-Deputy Commissioners, Electoral Registration Officers, Policy Planners, Scholars and other organizations, as some guidelines with minute details have been provided in the various chapters of this report.

**CHANDER SINGH
STATE ELECTION COMMISSIONER,

Chapter-1

STATE ELECTION COMMISSION, HARYANA

The State Election Commission, which is a creation of the Constitution (Seventy Third and Seventy fourth) Amendment Acts, 1992, was constituted in the State of Haryana w.e.f. 18th November, 1993 vide the State Government's Notification No.SO.101/Const.Art.243A/243ZA/93.

The provisions relating to the status and powers of the State Election Commission in Article 243K and 243ZA are analogous to the powers and status of the Election Commission of India provided under Article 324 (1) of the Constitution of India. The only difference in these two provisions is that the State Election Commission has been entrusted with the responsibilities for the preparation of the electoral rolls for, and the conduct of, all elections to the Panchayati Raj Institutions and Municipalities under Articles 243K and 243ZA and the Election Commission of India has been assigned the responsibility for the preparation of electoral rolls for, and the conduct of, all elections of Parliament and to the Legislatures of every State and of elections to the offices of President and Vice President of India. In order to ensure that the State Election Commission functions as an **independent Constitutional body** outside the executive to enable it to conduct the elections to the Panchayats and Municipalities in a free and fair manner, the concept of independence has been made far explicit in the provisions of Article 243K (2) which provides that the State Election Commissioner shall not be removed from his office except in the like manner and on the like grounds as the Judge of a High Court and the Conditions of Service of the State Election Commissioner shall not be varied to his disadvantage after his appointment. The State Election Commission, unlike the Election Commission of India, is Commission headed by the State Election Commissioner, who is appointed by the Governor of the State under clause (2) of Article 243K of the Constitution of India. Clause (3) of Article

243K explicitly provides that the Governor of the State shall, when so requested by the State Election Commission, make available to the State Election Commission such staff as may be necessary for the discharge of functions conferred on the State Election Commission by clause (1).

In pursuance of the above Constitutional provisions, the Legislature of the State of Haryana has also, in the Haryana Panchayati Raj Act, 1994, made provisions in this regard in consonance with the provisions of Article 243K of the Constitution of India. Section 212 of the Haryana Panchayati Raj Act, 1994 provides the powers and responsibilities of the State Election Commission, which are identical to the provisions made in Article 243K of the Constitution of India. Similar provisions have been made in Section-3A of the Haryana Municipal Act, 1973 for the conduct of elections to the Municipal Committees and Municipal Councils and in Section-9 of the Haryana Municipal Corporation Act, 1994 for the conduct of elections to the Municipal Corporation in the State.

In pursuance of the provisions contained in clause (2) of Article 243K, the State Government has prescribed the Conditions of Service and tenure of the office of the State Election Commissioner in “the State Election Commissioner (Conditions of Service) Rules, 1994” which are in consonance with the provisions contained in clause (2) of Article 243K. The State Election Commissioner has been defined as the State Election Commissioner appointed under clause (1) of Article 243K of the Constitution of India, meaning thereby that the State Election Commissioner shall be appointed by the Governor of the State. The qualifications for the State Election Commissioner has been prescribed as that of a person who is or has been a Judge of a High Court, or a person who has served the Government in the rank of Commissioner for a minimum period of five years or is serving the State Government in a higher rank namely Financial Commissioner. The minimum age for the State Election Commissioner has been prescribed as 55

years. The tenure of the State Election Commissioner has been prescribed as five years from the date he assumes office subject to that where the State Election Commissioner attains the age of sixty five years before the expiry of the said term of five years, he shall vacate his office on the date on which he attains the said age. Provided further that the State Election Commissioner may, at any time, by writing under his hand addressed to the Governor, resign his office. A person who on the date of his appointment as State Election Commissioner was in the service of the Central or a State Government, shall be deemed to have retired from such service with effect from the date of his appointment as State Election Commissioner. The State Election Commissioner is entitled to the salary equal to the salary of the Chief Secretary to Government of Haryana subject to the condition that if a person who immediately before the date of assuming office as the State Election Commissioner was in receipt of, or, being eligible so to do, had opted to draw a pension in respect of any previous service under the Government of India or under the State Government or any other service, his salary in respect of service as the State Election Commissioner shall be reduced (a) by the amount of that pension, (b) by the amount of the commuted value in respect of previous if he had, before assuming office, received, in lieu of a portion of the pension due to him. The State Election Commissioner shall be entitled to travelling allowance, provision of rent free accommodation, conveyance facilities, medical facilities, leave and such other conditions of service as were applicable to him at the time of retirement or at the time of his appointment as State Election Commissioner, so far as may be apply to the State Election Commissioner. The Governor of the State is vested with the power to grant or refuse leave to the State Election Commissioner and to revoke or curtail leave granted to him. LIST OF VOTERS

ELECTORAL PROGRAMME-PREPARATION OF VOTERS LISTS

The provisions relating to the preparation of list of voters for the Panchayat Elections are contained in Section 162 to 169 in Part-V-Chapter XX of the Haryana Panchayati Raj Act, 1994, which inter-alia provide that every **Sabha Area, Block** and **District** shall be divided into Wards (i.e. Electoral Division) and for every Electoral Division, the list of voters shall be prepared and maintained in accordance with provisions of this Act under the superintendence, direction and control of the State Election Commission.

First Notification dated 7.12.2004

Initially the State Election Commission, vide its notification issued vide No.SEC/2E-III/2004/13021 dated 07.12.2004, in terms of the provisions contained in the Haryana Panchayati Raj Act, 1994 and the Haryana Panchayati Raj Election Rules, 1994, directed the District Election Authorities that the list of voters in respect of all the wards of Gram Panchayats, Panchayat Samitis and Zila Parishads in the State of Haryana for the Third Panchayat General Elections shall be prepared on the basis of the Assembly electoral rolls published on 23.2.2004, with qualifying date as 01.01.2004, according to which the final voters' lists were to be published on 27.12.2004 and on that basis, the programme for the conduct of Third Panchayat General Elections was to be issued by the Commission before 31.12.2004.

Stay Granted by High Court

However, in the meanwhile, the Hon'ble High Court had stayed the operation of the Government Notification dated 07.12.2004 with regard to the amendment in Section 161 of the Haryana Panchayati Raj Act, 1994.

Second Notification dated 27.12.2004

Consequent upon the stay granted by the High Court, the matter was reconsidered by the State Election Commission and it was decided that the publication of voters' lists should not be done on 27.12.2004 in pursuance of Commission's notification dated 07.12.2004 and for the Third Panchayat General Elections, the voters' lists shall be prepared/revised on the basis of Assembly electoral rolls published on 03.01.2005, with qualifying date as 01.01.2005. Accordingly, a detailed programme for preparation of the lists of voters for the Panchayati Raj Institutions on the basis of the Assembly electoral rolls finally published on 03.01.2005 with qualifying date as 01.01.2005 was issued by the Commission vide its notification No.SEC/2E-III/2004/15397 dated 27.12.2004. As per this programme/time schedule, the voters' lists were finally published on 22.2.2005.

Assignment of job of printing of voters' lists to Printing Presses

The job for the printing of voters' lists was assigned to the printing presses approved by the Commission at a competitive rate which was much less than the cost charged for the same job in previous General Elections.

Appointment of District Electoral Officers & Deputy District Electoral Officers

The State Election Commission, vide its notification No.SEC/2E-III/2004/10547 dated 6.10.2004, appointed the HCS officers of the rank of City Magistrates and Sub Divisional Officers (Civil) as District Electoral Officers for the preparation of the lists of voters in their jurisdiction in respect of the Gram Panchayats, Panchayat Samitis and Zila Parishads for the conduct of Third Panchayat General Elections.

Further, vide Commission's notification No.SEC/2E-III/2004/ 10773 dated 6.10.2004, the Block Development and Panchayat Officers were appointed as Deputy District Electoral Officers for their concerned blocks to assist the District

Electoral Officers for preparation of the lists of voters of the wards of Sarpanch and Members of Gram Panchayats, Members of Panchayat Samitis and Zila Parishads, to ensure successful conduct of the Third Panchayat General Elections. However, in view of certain administrative exigencies arising in some district offices with regard to the availability of HCS officers of the rank of City Magistrates and Sub Divisional Officers (Civil) in sufficient number, it was felt that the work relating to the preparation of voters' lists was suffering. Hence, with a view to overcome this situation, vide Commissions notification No.SEC/2E-III/2004/14088 dated 09.12.2004, it was decided to delegate powers to the Deputy Commissioners-cum-District Election Officers (Panchayat) in the State to appoint any HCS officer, District Revenue Officer, Sub Divisional Officer (Civil) or any other officer at the District Headquarter vested with powers of Collector/Magistrate, to perform the duty as District Electoral Officer for the preparation of voters' lists for the conduct of Panchayat elections.

Compliance

It was ensured by the District Election Authorities that the draft voters' lists so prepared for preliminary publication for all the wards of Zila Parishads, Panchayat Samitis and Gram Panchayats were in conformity with the electoral rolls of the Assembly Constituencies published on 03.01.2005 and the names of such persons whose names appear in the Assembly electoral rolls were not excluded from the voters' list at the time of preliminary publication. A person who had attained the age of 18 years on 25.01.2005 and if he, filed claim for inclusion of his name in the voters' list, his name was also included in the voters' list. Further, it was also ensured that the Electoral Identity Card number as indicated against the names of voters in the Assembly electoral rolls is also entered under column-8 of the voters' list prepared for the Zila Parishads, Panchayat Samitis and Gram Panchayats.

BALLOT PAPERS AND BALLOT BOXES

Ballot Papers

Rule 41 of the Haryana Panchayati Raj Election Rules, 1994 provides that every ballot paper shall be of such design as may be approved by the State Election Commission and the ballot papers for election of Panches, Sarpanches, Members of Panchayat Samitis and Zila Parishads shall be in four different colours throughout the State of Haryana. The Commission had issued instructions for printing of ballot papers providing therein the specifications about size and form of the ballot paper.

Third Panchayat General Elections-2005

For the Third Panchayat General Elections held in April, 2005, it was decided that the ballot papers even for the elections to the offices of Panches and Sarpanches of the Gram Panchayats shall also be got printed on the pattern of the ballot papers printed for the elections to the offices of the Members of Panchayat Samitis and Zila Parishads. As every Ward of the Gram Panchayat is an independent constituency, the work for printing of the ballot papers involved printing of about more than 69673 different types of ballot papers. The State Printing and Stationery Department expressed its inability to print the ballot papers for the Panchayat elections due to insufficient infrastructure for printing more than 69673 different types of ballot papers. The total number of ballot papers required to be printed were about four crore. In view of the inability shown by the State Printing & Stationery Department for the printing of ballot papers, sealed tenders were invited by publishing Tender Notice in the leading newspapers. In response to the Tender Notice, four printing presses quoted their rates. Out of these four firms, only one firm had quoted the minimum rate of 60 paise per ballot paper with paper and 49 paise per ballot paper without paper, irrespective of the number of ballot

papers to be printed. The other three printing presses had quoted their rates on the basis of per thousand ballot papers meaning thereby that they would charge rates for the printing of minimum 1,000 ballot papers even if lesser ballot papers were to be printed as was allowed to them in 2nd General Panchayat Elections held in March,2000.

HIGH POWER PURCHASE COMMITTEE

The State Government constituted a High Power Purchase Committee under the Chairmanship of Sh.Chander Singh, IAS (Retd.), State Election Commissioner, Haryana, in which Sh.Hardeep Kumar,IAS, Special Secretary to Government Haryana, Finance Department, Smt.Jaiwanti Sheokand, IAS, Director Panchayats Haryana, Sh.R.B.Langyan, IAS, Director Local Bodies, Haryana and Sh.A.S.Yadav, HCS, Controller, Printing & Stationery Department, Haryana were the members. The High Powered Purchase Committee under the Chairmanship of Sh.Chander Singh, State Election Commissioner Haryana negotiated the rates with the printing presses and the final rates of 46.5 paise per ballot with paper upto 9 candidates in single column, 58.5 paise per ballot paper with paper upto 18 candidates in two columns and for every additional column of 3¼” width having maximum upto 9 candidates or its multiples is 10 paise per ballot paper and so on, ***irrespective of the number of ballot papers to be printed***, were approved. In this way, during the Third Panchayat General Elections, 2005 an amount of **about rupees one crore** was saved in comparison to the expenditure incurred on the printing of ballot papers during the Second General Panchayat Elections, 2000. As per the instructions issued by the Commission, the ballot papers were printed on Cream wove paper in four different colours i.e. **Black** for Panches, **Blue** for Sarpanches, **Yellow** for Member Panchayat Samitis and **Red** for Member Zila Parishad.

Supervision of Security Presses

In order to ensure timely completion of printing of ballot papers, the Deputy Commissioners were asked to deploy experienced and competent staff for supervision of the printing of ballot papers. A team comprising one member from the Commission and one member from the Controller, Printing & Stationery Department was deputed at each printing press to review the progress of the printing work regularly during the period when the printing was undertaken. On the request of the Commission, the Director General of Police, Haryana provided sufficient police force at the Printing Presses. Instructions were issued that no unauthorized person should be allowed to enter inside the Printing Presses when the printing work was in progress. Adequate security arrangements were made for the transportation of ballot papers from the premises of the Printing Presses to the District/Block Headquarters. The ballot papers were kept under lock and key with proper security arrangements till the issue of election material to the polling staff.

Ballot Papers

During the 3rd Panchayat General Elections, 2005 a total number of 3,34,26,021 ballot papers (4596729 of Panches, 9735051 for Sarpanches, 9085873 for Members Panchayat Samitis and 10008368 for Members Zila Parishads) were got printed from the three private printing presses.

Ballot Boxes

Rule 40 of the Haryana Panchayati Raj Rules, 1994 provides that every ballot box shall, subject to general or special order of the State Election Commission, be of such design that ballot papers can be inserted therein but cannot be withdrawn there from without the box being unlocked and the seals being broken. No independent and separate design of ballot box was made by the State Election Commission and the ballot boxes used for the Assembly and Parliamentary elections, were used in the Panchayat elections as well. The

Commission had already purchased 1500 ballot boxes for use in the Panchayat elections. Since a very large number of ballot boxes were required to be used for the Third Panchayat General Elections, the ballot boxes were taken from the State Election Department, Haryana and from the State Election Commission, Punjab on rent basis.

ANALYSIS OF ACHIEVEMENTS OF STATE ELECTION COMMISSIONER DURING HIS TENURE

Printing of Ballot Papers and Voters' Lists: The expertise of the State Election Commissioner in the field of finance was fruitfully utilised to its optimum by adopting the strategy of economy measures in achieving a large scale saving approximately rupees one crore, on account of printing of ballot papers and voters' lists etc. for the Third General Panchayat Elections as against the heavy expenditure incurred in the Second General Panchayat Elections held in March, 2000. Because of his professional ability and rapport as Chief Electoral Officer of the State Election Department with the private printers who did not feign their loyalty to give a handsome royalty of concession to the State Election Commission by slashing their rates substantially on account of printing of ballot papers and the voters lists, as well.

Transportation during Polls: Besides this, a considerable amount was also saved on account of hiring of private buses and trucks on rates fixed by State Transport Department, as per past practice, for carrying polling parties to their respective destinations.

Videography: During the current elections of Panchayats, no videography was allowed to the Deputy Commissioners as per the past practice. Hence, the Commission was able to save a considerable amount on this account also.

Litigation: There has been a substantial decline in the expenditure on account of litigation also. There were a bundle of court cases during the Second General Panchayat Elections, 2000, in which a huge amount of Rs.3,60,000 was paid to the private Defence Counsels engaged to defend the cases on behalf of the State Election Commission. Whereas, during the current General Panchayat Elections, there were only a few court cases where the Advocate General, Haryana was

asked to defend them on behalf of the State Election Commission, thereby saving a huge amount on account of legal fees which was earlier paid to the Private Counsels.

Office Expenses: The bills on account of electricity and water charges, telephone, fax, POL, Travel Expenses etc. have gone down considerably during the tenure of the present State Election Commissioner because of his being a role model in putting the concept of '*Economy in Expenditure*' into real practice thereby setting a fine example for the staff also to follow the same.

The following economy measures were adopted by the State Election Commission:-

1. No expenditure for hiring the private vehicles for transportation/cartage of election material was allowed to the district/field offices.
2. No expenditure on account of entertainment/hospitality to the election staff was incurred resulting in total saving on this account.
3. Economic and optimum utilisation of the election material.
4. Effective monitoring and proper coordination/liaise with the Deputy Commissioners have yielded better results in saving the over all expenditure on the conduct of elections of Panchayati Raj Institutions.
5. Economy measures were also adopted in the allocation of funds to the Deputy Commissioners-cum-District Election Officers in a very stringent manner to avoid all kinds of wasteful/unnecessary expenditures.

Status of Pendency: No case on the part of the Commission is pending for want of a decision regarding payment of any bill or otherwise where the approval of the State Election Commissioner is involved for final settlement.

Improvement in the system of purchase and management of election material/electronic items:

Strenuous efforts were made to streamline/rationalise the purchase and procurement of election material with a view to provide an improvised system to ensure better quality of election material and its timely delivery to the district

officers, on requisition made by them. However, it was also ensured that a proper checklist of election material is maintained at the Headquarter to oversee its proper utilisation in the field offices so that there is no misutilisation and no excess stock on account of extravagant purchase of election material is lying in the field offices.

To avoid the delay in effecting purchase of office apparatuses/ electronic items which are usually purchased through HARTRON which is a time consuming process indeed, the State Election Commission made a departure from the prevailing system and went in for the direct purchase from the open market, after observing the codal formalities and even made profitable purchases on competitive rates by negotiating the bargains with the open competitors in the market, thereby yielding a handsome saving on this account. To make the system more effective and workable, in some cases, the Deputy Commissioners were also allowed to make petty purchases of election material at their level on the rates not exceeding the rates approved by the Commission for this purpose.

State Election Commission also contacted Haryana Government from time to time for consultation purpose which is mandatory for conduct of elections as per amendment of the Haryana Panchayati Raj Act, 1994.

All efforts were made for timely allotment/release of funds to enable this Commission to discharge its constitutional obligations in a most successful manner.

The State Election Commission has made a great achievement in accomplishing this stupendous task of conducting the elections in a short period of only 31 days.
