**Subject:- Setting up of candidate after fixing of FLC seal- Clarification  
reg.**

Sir/Madam,

I am directed to refer to the subject cited above and to say that it has come to the notice of this Commission that while fixing the FLC pink paper seal over EVM, half of the portion of candidate set button covers with it and it becomes difficult to set up the candidate. To overcome these difficulties it is suggested to.-

- i) first open the cover of the candidate setup button and then fix the FLC pink paper seal; and
- ii) thereafter set the candidate and seal the cover.

Please bring this clarification into the notice of all concerned for information and compliance.

Yours faithfully,

  
(Parmal Singh)
